NEXT MEETING

To be announced

SYOSSET – WOODBURY COMMUNITY CENTER

On entering park, turn right at stop sign and follow the road to the end.

As this eventful year comes to a close, we're going to have to cancel our June membership meeting. We all look forward to a return to normalcy in whatever form it takes and hope that we'll begin next year with a meeting

on September 17th. Have a wonderful, healthy, summer. If you like to bike, check out Neal's announcements and join us on the road. Biking is a great way to keep your legs in shape for skiing.

Gary

Biking, by Neal Pisanti: We finally took our first ride of 2020 on Tuesday, June 2nd. Eleven of us met at Cedar Creek Park in Seaford, and rode to Tobay Beach and back. We had a pretty good tail wind from Jones Beach Theatre to Tobay, which of course led to a pretty strong headwind on the return. As stated last year, we had a faster group and a slower group on the ride. I would guess that the faster group averaged 16 mph, while the slower group averaged a little over 12 mph. Most riders brought a box lunch and a beach chair and we sat in a big circle after the ride and had lunch.

Gary's going to update our emergency contact list. If you have not done it already, please email him (gss12@optonline.net) the name of your contact, your relationship, and a phone number for that contact.
