Mid Week Skiing by Gary Schorr: Snow is in the air! Some of the upstate areas have already gotten a dusting and there's more snow in Vermont. If you're free midweek and would like to join us, please send your e mail address and mobile phone number to Gary at gss12@optonline.net. If you're on the list from last year there's no need to resend the information.

Midweek Biking by Neal Pisanti: This month we had crazy weather, but still got a few rides in. A small group of four went from Bethpage to Sagamore Hill on a beautiful brisk day. A large group went from Trailview State Park to Caumsett State Park with a stop for lunch in Cold Spring Harbor. Unfortunately there was an accident in which Joan Hubbard had a serious

injury. We all wish her well. The final ride to report on was from Howard Beach to Breezy Point. It was a beautiful day to ride, passing through the Rockaways and over the Cross Bay Bridge and along the boardwalk to Breezy Point. Half had lunch in Belle Harbor and headed home. The rest continued to Breezy Point and returned home on the beautiful boardwalk and retraced the trip out for a total of 27 miles. If you would care to join the group, e mail Neal at: nealmichael@hotmail.com.
